

## MEMPHIANS SPEAK AT JACKSON, TENN.

Urge Co-operation of Cotton Growers at Meeting of Growers' Association.

JACKSON, Tenn., Feb. 4. (Sp.)—J. P. Matthews, of Oakland, Tenn., was chosen as president of the Tennessee division of the American Cotton Growers' association for the ensuing year. Senator T. C. Long, of Jackson, and Lem Banks, of Memphis, were elected vice-presidents, and R. S. Fletcher, Jr., secretary-treasurer. At an executive committee meeting of the organization held Tuesday afternoon in Jackson following the general state convention at the courthouse. The executive committee was ordered called together at an early date to arrange to finance the organization. Indications are that the bankers will assist the farmers in their endeavor to establish warehouses over the state. Dr. F. M. McKee, commissioner of agriculture of the state, addressed the meeting, declaring that he was ever ready to serve the farmers. The state convention was held at the courthouse. Addresses were delivered by Harvey Jordan, of Atlanta; T. B. King, of Memphis; Senator Long, of Jackson; Dr. Tait Butler, of Memphis, and others. The general idea promulgated was that it is high time for the farmers to effect thorough organization with a definite program in view to the end that they may realize the full benefits of their labor.

## NOW GETS 48 EGGS A DAY INSTEAD OF 3

Mr. Vincent Cured His Hens of the Winter Laying Habit. Easily Done.

"My egg supply has increased wonderfully. Early in January, I started using Don Sung. I had been getting about 3 eggs every other day from 70 hens. By the end of January I was getting 30 eggs a day. In two weeks more, I was getting 4 dozen a day."—G. W. Vincent, South Ky.

Mr. Vincent's results, in January, prove that you can get the eggs when eggs are high. It's no trouble and costs nothing to try. The same offer that Mr. Vincent accepted is open to you. Give you hens Don Sung and watch results for one month. If you don't find that it pays for itself and pays you a good profit besides, simply tell us and your money will be promptly refunded.

Don Sung (Chinese for egg-laying) works directly on the egg-laying organs, and is also a splendid tonic. It is easily given in the feed, improves the hen's health, makes her stronger and more active in any weather, and starts her laying.

Try Don Sung for 30 days and if it doesn't get you the eggs, no matter how cold or wet the weather, your money will be refunded by return mail. Get Don Sung from your druggist or poultry remedy dealer or send 50 cents for a package by mail prepaid. Burrell-Pueger Co., 383 Columbia Bldg., Indianapolis, Ind. adv

## SECOND STORY BUSINESS GOOD

The finger of suspicion points toward Tarran of the Apex, in the robbery of the home of J. H. Turner, 322 Boyd street, Tuesday night.

The Turners were entertaining friends at cards. As they played, a thief slipped up a tree, clambered onto their porch and entered a second-story window. The burglar escaped.

## NEGRO KILLS ANOTHER.

## Graves-Dix Diamond Grading Absolute Safety to Buyers

The first consideration of every prudent buyer is the feeling of absolute safety and confidence that he is getting best goods at prices really the lowest.

Discriminating buyers know, however, that it is not all the price, but that grade, weight and color are all to be considered. It requires years of experience and much technical skill to grade diamonds to a proper classification.

The grade, weight and price of our diamonds are marked in plain figures. Absolutely nothing is hidden. If a stone is not perfect, the shape of cutting not correct, or if it is "off color" (which is hard to distinguish without a careful comparison with a better grade), it is so marked.

We send selection packages of diamonds anywhere to responsible people and pay express charges both ways. You assume no obligations to buy, as we appreciate the opportunity to show our diamonds and prefer that our customers have the opportunity for leisurely inspection and comparison.

Our deferred payment plan enables those who may not want to pay all cash for a diamond to pay part down and divide the balance into as many as ten monthly notes.

If you have not opened an account with us oblige us with references of two or three business men or your bank.
